

# Online Safety – Advise and websites for Parents

## National Online Safety Website

<https://nationalonlinesafety.com/>

**BRAND NEW**  
**National Online Safety Mobile App**  
It's time to get **#OnlineSafetySavvy**.

Children are spending more time than ever online. As adults, we need to do everything we can to keep them safe in the digital world. But with new apps, games and platforms emerging every day, how can you stay in the know?

Say hello to the new National Online Safety mobile application. Created by experts, developed by us. With all online safety knowledge available at your fingertips, the NOS app empowers parents and teachers to understand and address online safeguarding risks – any time, anywhere.

The world's most comprehensive online safety app, it's packed with insightful courses, explainer videos, webinars and guides on topics that will help you protect the kids you care about when they're online.

Download on the **App Store** | GET IT ON **Google Play**

### **Parents and Carers Toolkit**

Three resources that offer practical tips and advice on different aspects of keeping your child safe online.

They can help support parents and carers of any age child to:

- Start discussions about their online life,
- Set boundaries around online behaviour and technology use,
- Find out where to get more help and support.

## Parentinfo

<https://parentinfo.org/>

Help and advice for families in a digital world

Parent Info is a collaboration between Parent Zone and NCA-CEOP, providing support and guidance for parents from leading experts and organisations.

## UK Safer Internet Centre

<https://www.saferinternet.org.uk/advice-centre/parents-and-carers>

As a parent or carer you play a key role in helping your child to stay safe online.

You don't need to be an expert on the internet to help keep your child stay safe online. Our advice and resources are here to support you as you support your child to use the internet safely, responsibly and positively.

## **SWGFL**

<https://swgfl.org.uk/>

SWGfL are a not for profit charity ensuring everyone can benefit from technology free from harm. Forming 1/3 of the UK Safer Internet Centre, our experts advise schools, public bodies and industry on appropriate actions to take in regards to safeguarding and advancing positive online safety policies.

SWGfL has been at the forefront of online safety for the past two decades, delivering engaging presentations and training to a wide variety of audiences nationally and internationally. Our work has brought online safety to the forefront of public attention, ensuring everyone can develop their understanding of what online safety truly means in an ever changing world.

SWGfL host three support helplines that offer free advice, support and guidance to victims of online harm

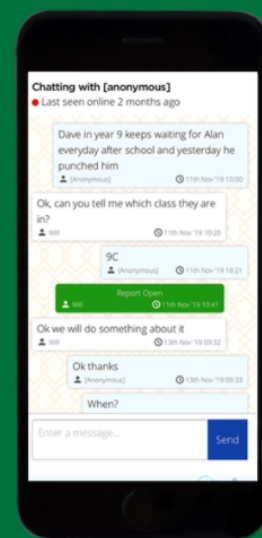

### **Whisper: Anonymous Reporting Tool**

You can't keep children safe if you don't know what's happening. Anonymous reporting reaches those who are reluctant or find reporting bullying, abuse, grooming or other issues difficult.

Whisper allows your school community to report issues to you. They can choose to be anonymous, or to leave contact details. You can then act more quickly.

Whisper comes with a custom button, link or code for your school website or newsletter, and a unique dedicated mobile number for SMS reporting.
